

The documentation in PART Three, LESSONS is from my 2008 book. It is important that you know that WCC has not stopped eroding democracy. Although what's happened to our democracy is adequate proof that WCC corruption has not ended, I am providing some links to current incidents of WCC to fortify my position that WCC is still alive and well and that's why our democracy isn't. The proof is in the dysfunctional schools pudding.

THE CORRUPTION CONTINUES.....
